

Consumer Warranty Policy

1. One year warranty from the date of purchase. Ammunition 30 days. Repairs or replacements are determined at Century's discretion. The (1) year period does not start over if a firearm is repaired and reshipped.
2. A return authorization number must be obtained prior to returning any merchandise to Century. An authorization number can be obtained by calling 1-800-527-1252 ext 4 or by calling 1-800-270-2767 ext 2.
3. If you do not hold a federal firearms license (FFL) you will be required to fill out our waiver form and submit a copy of your driver's license prior of obtaining a return authorization number. Residents of the states of New York, New Jersey, Washington, California, Maryland, Massachusetts, and Connecticut will need to arrange for a transfer with a Century dealer for transport of the firearm to the warranty facility.
4. If after receipt and inspection, it is determined a mechanical/operational defect has been caused by actions taken by the customer or an entity outside Century, the warranty is void and Century is not responsible for the repair costs nor obligated to replace the firearm. The customer will be notified in these cases.
5. Firearms must be returned complete (as purchased) with magazine. Please do not send any aftermarket items to Century with firearms. This includes but is not limited to scopes, mounts, rails, stock, etc. Century is not responsible for lost, missing, or damaged aftermarket accessories. Original magazine is required to be sent with firearm for test fire if firearm is being repaired.
6. Merchandise will be refused if shipped without a RAN# on the package or shipped to our Florida address. The customer will not get reimbursed for these shipping charges.
7. Please allow 4-6 weeks for reshipment of repair/replacements.
8. Any replacement parts to be shipped to an FFL holder in behalf of the consumer, the FFL holder (dealer) will need to call Century and verify that we can ship the parts to them.
