

## **Distributor Warranty Policy**

- 1) All firearms/receivers sold as “new”, or manufactured/assembled by Century have (1) year repair/replacement warranty from the day the firearm/receiver was shipped from Century’s warehouse to the customer, unless noted otherwise. Repairs or replacements are determined at Century’s discretion. The (1) year period does not start over if a firearm is repaired and reshipped.
- 2) If the firearm was purchased through a distributor, there is no return shipping reimbursed.
- 3) A return authorization number must be obtained prior to returning any merchandise to Century. An authorization number may be obtained by calling 1-800-270-2767. If after receipt and inspection, it is determined a mechanical/operational defect has been caused by actions taken by the customer or an entity outside Century, the warranty is void and Century is not responsible for the repair costs nor obligated to replace the firearm. The customer will be notified in these cases.
- 4) Firearms must be returned complete (as purchased) with magazine. Please do not return any after market items to Century with firearms. This includes but is not limited to scopes, mounts, rails, stock, etc. Century is not responsible for lost, missing, or damaged after market accessories. Original magazine is required to be sent with firearm for test fire if firearm is being repaired.
- 5) If the person returning the merchandise is not the original purchaser, they must submit a copy of their driver’s license and our waiver of liability statement completed. Residents of the states of New York, New Jersey, Washington, California, Maryland, Massachusetts, and Connecticut will need to arrange for a transfer with a Century dealer for transport of the firearm to the warranty facility.
- 6) All returned merchandise must be sent to the address given to you when obtaining an RA# by calling 1-800-270-2767. Merchandise will be refused if shipped without an RA# on the package or shipped to our Florida address. The customer will not be reimbursed for these shipping charges.
- 7) Please allow 4-6 weeks for reshipment of repairs/replacements.
