

CENTURY ARMS

IMPORTANT BFT47 RECALL NOTICE

DESCRIPTION OF ISSUE

Century Arms is committed to the durability, success, and customer satisfaction associated with our new rifle, the BFT47. With that commitment in mind, we have identified a potential durability issue in a limited run of BFT47 rifles. The issue may affect proper feeding and/or chambering of ammunition. To assure that every BFT47 meets our high standards, Century is requesting return of the below listed units to guarantee that all rifles possibly affected by this durability issue are inspected and replaced as necessary. If you are in possession of a rifle with a serial number on the below list (also found at: https://www.centuryarms.com/media/wysiwyg/pdf/BFT47_recall_notice.pdf) please submit a return request to support@centuryarms.com so we can issue you a return label for your BFT47 rifle. We will inspect the rifles and replace any affected units. Thank you for your assistance on this matter and, as always, we thank you for the support.

STOP USING YOUR BFT47 RIFLE IMMEDIATELY UNTIL IT HAS BEEN DETERMINED WHETHER YOUR RIFLE FALLS WITHIN THE BELOW SERIAL NUMBER LIST. FAILURE TO FOLLOW THIS INSTRUCTION COULD RESULT IN DAMAGE TO YOUR RIFLE.
