Please review the warranty policy below and contact Century Arms Customer Service if your rifle needs repair. Each rifle has a unique serial number which will be required to obtain warranty service.

LIMITED LIFETIME WARRANTY

Your Century Arms rifle is warranted against defects in materials and workmanship for the serviceable life of the product. If we cannot repair your rifle, we will replace it with a rifle in equal or better physical condition.

This warranty does not cover loss, theft, deliberate damage, corrosion, neglect, abuse or unreasonable use, misuse, defects or malfunctions resulting from misuse, ammunition failures or use of defective or improper ammunition, lack of maintenance, non-factory part installations, alterations or modifications to the firearm, disassembly beyond the field stripping instructions in the product's manual (where applicable), normal or ordinary wear and tear, criminal misuse, negligence, use under the influence of drugs or alcohol, or cosmetic damage that does not hinder the performance of the product.

All warranty claims are processed through Century Arms Customer Service. If you are returning a rifle for warranty service, please email support@centuryarms.com with your serial number. If approved, a Return Authorization Number (RAN) will be provided.

Any and all warranties, written or implied, are void with any alterations to the rifle including cosmetic refinishing.

LIMITATION OF LIABILITY

TO THE FULLEST EXTENT ALLOWABLE BY LAW, CENTURY DISCLAIMS ALL IMPLIED WARRANTIES AND MAKES NO OTHER EXPRESS WARRANTIES.

CENTURY ARMS SHALL NOT BE LIABLE FOR ANY INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES THAT RESULT FROM THE PERFORMANCE AND USE OF THE PRODUCTS, EVEN IF CENTURY ARMS HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

Some states do not allow the exclusion or limitation of incidental or consequential damages, or allow limitations on how long an implied warranty lasts, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights, and you may also have other rights that vary by state to state.

Please note: Century Arms reserves the right to make substitutions on warranty coverage for any reason, including but not limited to available parts. If Century Arms determines that the rifle is not repairable, we will replace the rifle with a rifle of similar feature and product class at Century Arms' sole determination and at no replacement cost to you.

The BFT47/74/556 Limited Lifetime Warranty is available to original purchasers from a federal firearms license holder. Product registration is required to activate warranty. A serial number must be provided to initiate repair service.

Century Arms reserves the right to change this policy without notice.
